Things I remember:
- obscure facts
- all of my mistakes
- song lyrics
- every embarrassing thing I've ever done
Things I don't remember:
- my appointments
- to take my medication
- huge chunks of my childhood

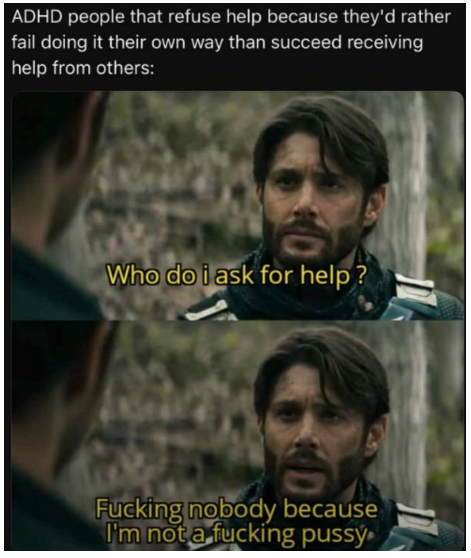
I CAN REMEMBER OBSCURE FACTS FROM A SHOW I HAVENT SEEN IN 5+ YEARS
I swear, the reason i have memory issues is because my brain is still remember stuff it doesn't need anymore!

(b)



ADHD people that refuse help because they'd rather fail doing it their own way than succeed receiving help from others:
Who do i ask for help ?
Fucking nobody because I'm not a fucking pussy

(c)

GETTING AWKWARD WHEN SOMEONE PAYS THEM A COMPLIMENT
Who me?
