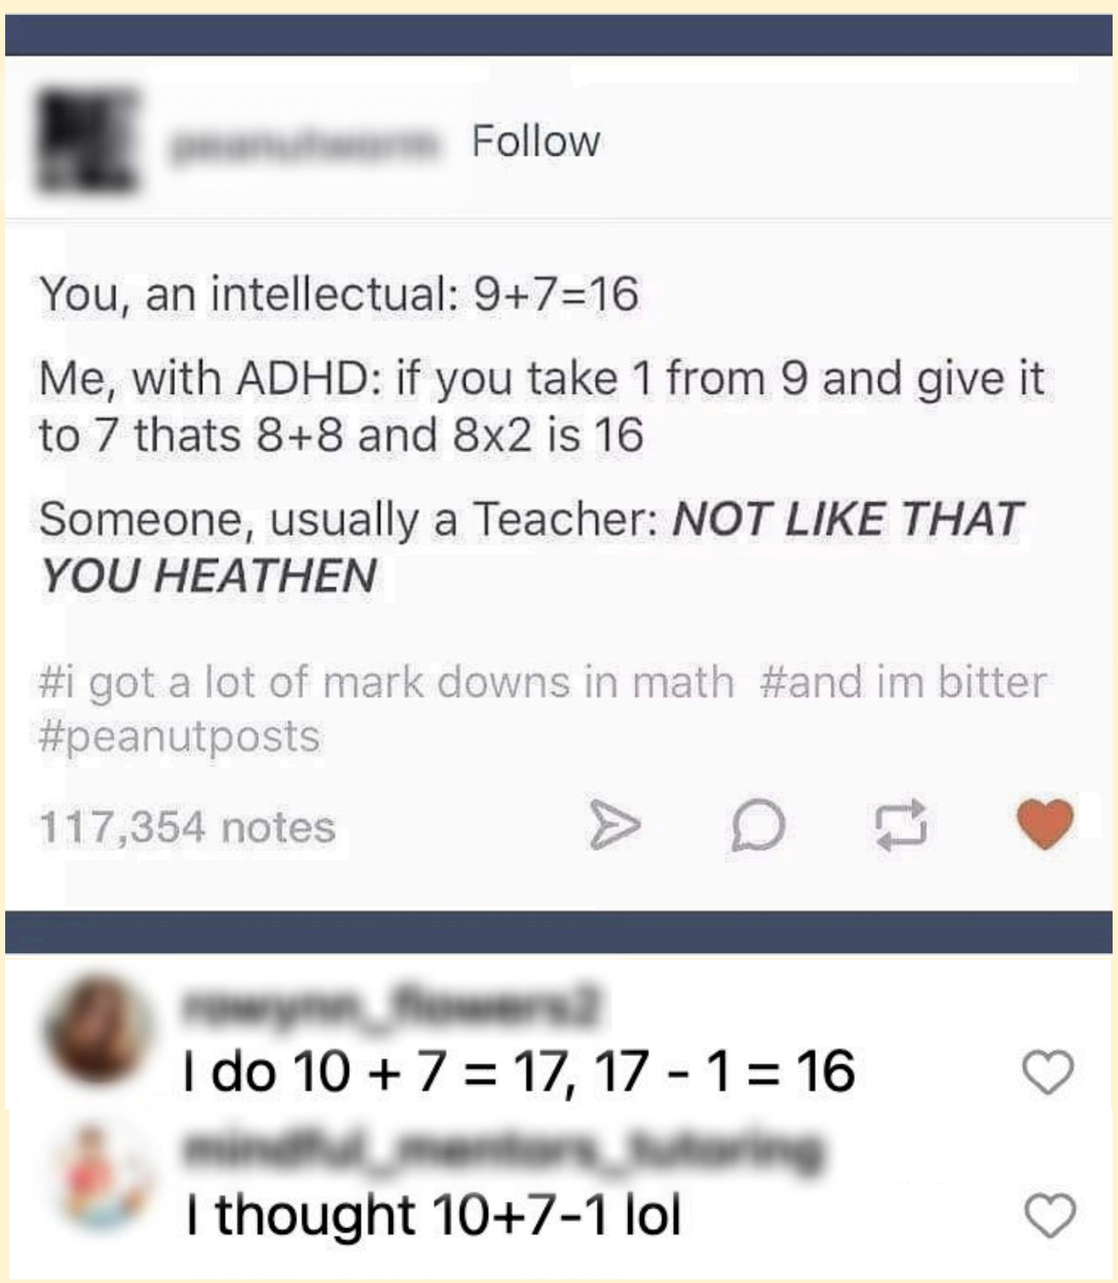
Me reading with ADHD be like:
reads entire page again
The f*ck did I just read
Mind instantly goes everywhere else
reads entire page again
@Jenn has ADHD
This is why I can't read a damn book😢
"Dang you read slow" nah man!! I just read it 3 times



Follow
You, an intellectual: 9+7=16
Me, with ADHD: if you take 1 from 9 and give it to 7 thats 8+8 and 8x2 is 16
Someone, usually a Teacher: NOT LIKE THAT YOU HEATHEN
#i got a lot of mark downs in math #and im bitter #peanutposts
117,354 notes
I do 10 + 7 = 17, 17 - 1 = 16
I thought 10+7-1 lol
